Description

Get your kit to spills quickly without any lifting required! Conveniently and quickly stop spills in their tracks using our 240L spill Kit in a convenient wheelie bin. Absorbing up to 240L, our 240L Oil/fuel Spill Kit includes our highly effective Pads/Booms absorbent and is designed to help you quickly and effectively stop oil spills in their tracks.

- Oil & Fuel Only absorbents take on board hydrocarbon liquids such as fuel, petrol, diesel, oil, solvents.
- Additionally, they are designed to repel water making them ideal for oil & fuel spill recovery on either land or water.
- Commonly used in the automotive, industrial, commercial markets, warehousing, waste management, petrol station and manufacturing industries.
